Infomerics Credit Rating Nepal Limited (Infomerics Nepal) has removed the ratings assigned to Riddhi Siddhi Cement Limited and its bank facilities from rating watch with negative implications.

Detailed Rationale

The removal of the ratings from Rating Watch with Negative Implications is primarily based on the assessment of Infomerics Nepal that the company's operations continue to run as in the ordinary course of business, there has been no material adverse change in its financial condition, and its debt servicing obligations continue to be met in a timely manner as of the review date.

Furthermore, Infomerics Nepal has received a Management Certificate confirming the same, as stated above. Infomerics Nepal will continue to monitor the company's operational and financial performance, and debt servicing ability. Going forward, any material changes in these factors, or any developments that could have a bearing on its credit risk profile will remain key rating sensitivities.
